BELONGING IS FOR EVERYONE.

The readings present two challenges to belonging in our faith community which we still encounter today. First, that we aren't good enough somehow (because our history hasn't been really Christian, or before then really Jewish). Secondly, we are too good (which is what John said of Jesus). Peter's line at the opening of the second reading is really the key, however: "God shows no partiality." Isaiah's reading indicates that God always meant His special relationship with Israel to be a blessing for all nations, and Jesus' death and Resurrection opens the covenant beyond the circumcised. Jesus is baptized not for the forgiveness of sins but as a participation in the universality of belonging to God's family. Our faith is not just for us. It is meant to be a gift to the world, offering God's love and belonging to all people, by our care and, should they choose, by baptism with Jesus.

Week of Prayer for Christian Unity 2020:

The theme of this year's Week of Prayer is *"They showed us unusual kindness (Acts: 28-2)."* In keeping with that theme, the Prairie Centre for Ecumenism (PCE) is inviting participants at each event to bring donations of non-perishable food donations for the Our Lady of Guadalupe Parish Food Pantry Program. There will also be opportunities to make freewill offerings for the work of the Prairie Centre for Ecumenism.

Local and international resources for the Week of Prayer for Christian Unity are available online, placing a particular emphasis on hospitality as a much-needed virtue in our search for Christian unity and calling all to a greater generosity to those in need. The Pontifical Council for Promoting Christian Unity and the Commission on Faith and Order of the World Council of Churches jointly developed the international resource, using material provided by an ecumenical group in Malta representing a variety of Christian faith traditions. The material for Canada was adapted and produced by an ecumenical writing team coordinated by the Commission on Faith and Witness of the Canadian Council of Churches (CCC).
