Diocesan prayer: Heavenly Father, help our families to be sanctuaries of joy and light, where both young and old are cherished and embraced, and where your gifts of faith, hope, and love may flourish. May your tender loving care inspire all families to abound in hope so that we may live out our call to holiness as missionary disciples in the service of life and peace.

Grow Hope Saskatchewan launches for an 8th season: Together with seven farming families, you are invited to stand in solidarity with the 783 million people in the world who experience hunger. Farming families grow crops to sell; the proceeds go toward emergency food distribution and long-term food sustainability. You can help by sponsoring the input costs to grow the food on these donated acres. This year, our farmers have committed a total of 500 acres for this ecumenical project. Each of those 500 acres needs about \$350-worth of seeds, fertilizer, and other inputs. Whether you're a farmer or not, you can support this great work by giving at www.devp.org/give (make sure to assign your donation on to "Grow Hope Saskatchewan"). For more info or for donation links, visit www.growhopesk.ca/ or contact mleblanc@devp.org.

PRAYER: For all farmers in the world – in particular, for the farming families that grow crops, give funds, and receive support through donations to Grow Hope Saskatchewan – that this upcoming growing season may be a fruitful one, and that it may multiply the abundant graces that God has given us to feed our families this year and to share with others.
